

Referral Awards Program Share the Fun of Web Design

NeoNexus has initiated a referral awards program. For any customers, partners, or other contacts that refer someone to NeoNexus, if that referral then hires NeoNexus to build a website for them, you receive your choice of rewards.

For each referral that becomes a customer, you get your choice of dining out gift certificates or technology benefits.

For each successful referral, you get a \$50 gift certificate to one of the following restaurants:

Cracker Barrel

Chili's

Macaroni Grill

For every fourth referral, your \$50 goes up to a \$100 gift certificate to a fine dining restaurant.

In Charleston, WV, enjoy the exquisite Laurys Restaurant at the South Side Bridge. With an elegant atmosphere, first class service, and possibly the best food in Charleston, your evening will be unforgettable. Don't forget to order the chocolate soufflé for dessert!

In Wilmington, NC, you get to experience the Port Land Grille at Lumina Station. Enjoy unusual entrée's like antelope, indulge with their rich soups and sauces, and make sure you order a drink from their great wine list or full service bar.

If you are in other cities, we will identify an equivalent quality restaurant for you.

For those of you that are customers, you may prefer to get work on your website instead of dining out. For each referral, you get one of the following:

- 3 months of free hosting
- 15 second flash animation
- Free contact form added to an existing web page

Or, save up several referrals and cash in for a free blog or SEM package.

So, get those referrals coming, and let's all share in the fun. A copy of this flyer is found on our website. Call Autumn Stover at (304) 444-4681 if you have any questions.
